

Matija KRŽAN

Life's Meaning and Religion
in Contemporary Europe
The Case of Slovenia

Kırklareli 2021

Matija KRŽAN

Matija Kržan is a sociologist, who completed his doctorate at the Marmara University. His main research interests are contemporary religious dynamics, understanding and application of religion in the life of a modern individual. He graduated from the University of Ljubljana with a degree in Sociology. He earned his master degree in Cultural and Religious Studies, studying spiritual path in Islam called Sufism. His academic endeavour is enhanced with both academic and personal insight of different religious traditions. He is also a translator of religious and spiritual literature and author of school textbooks.
